 - i. The College of Liberal Arts and Sciences (CLAS) would like to know how it can better serve you. CLAS is an essential part of the University and plays an important role in helping to secure funding and institute positive change in your department.

Use the following link to take a short, anonymous survey – it will take no more than 5 or 10 minutes of your time. Your responses are important and will be influential in helping to determine policy in the near future. If your department is not housed in CLAS, we still encourage you to participate and share your opinions. Every student's voice matters. Thank you for your time, and best wishes!

Graduate school and the application process from current Graduate students. That being said, we are asking for GSS senators and/or their fellow graduate students that are interested in sitting on the panel. **Please contact Hayley McLoughlin (hayley-mcloughlin@uiowa.edu) if you are available or provide your information on the sign up sheet near the GSS attendance sheets!** We will need students on the graduate panel to arrive about 10 minutes before the scheduled event held from 12:30-1:30pm on April 6th.

- ii. Additionally, reminder to all graduate students who have worked as a mentor. The Academic Mentoring Committee is still accepting applications (until March 22nd) for the Sandra Barkan Outstanding Mentor Award (<http://gss.grad.uiowa.edu/jakobsen-conference/sandra-barkan-mentor-award>). Looks great on a CV!!
- b. Computer Resources Committee—Sam Trammel
- i. The Computer Resources Committee started its work in May of 2012 and did much of the leg work for the survey over the beginning part of the summer. The call for requests (survey) went out in early July and was due in early August. We received roughly 300 Dell desktop PC's and 70 Macs over the summer from the ITS refresh this year. There were a total of 25 departments that applied for these computers. However, the total number of computers requested was less than our available supply so all departments were awarded their full request of PC's and Macs. Since we did not receive any laptops this year we were not able to satisfy any requests for laptops. The CRC initially distributed computers on September 4th and 5th of 2012 with several more subsequent distributions happening on later dates. Many thanks to the committee members who helped with our web survey, allocation meeting and the distributions of computers. Your service is very much appreciated!

One of the challenges we faced this year is that we actually had many extra computers after we met all of the requests from the departments. We addressed this by eventually placing these computers in departments or sending them to surplus, but this took many extra months. This was the first time that we had this many extra and are looking at tweaking things so we hopefully don't have this happen again in the future. One reason for this is that we need to return the space where the computers are being stored to the host department as soon as possible. In addition, the university has imposed new rules on computers which is also requiring us to change how we do certain things. Sam Trammell is taking over as chair of this committee and has been transitioning into the leadership position while we have started addressing the above and other issues.

The committee is always looking for new members. Please contact Sam Trammel if you are interested in serving GSS in this capacity.
