I. Pizza with Deans! – 5:00 - 5:30 pm

II. Graduate College Report – 5:30 – 6:00 pm

III. IRB Workshop 6-6:10 pm
We have been contacted by the IRB to help host a workshop. In the past, this was done through the Educational Outreach Committee but because that was put on the shelf, need a different way to help promote this.

IV. Committee Check-In 6:10 – 6:40 pm
This seems like a good meeting to check in with all of the committees to see how things are going, trouble-shoot problems, etc. Please come prepared ready to discuss how we can support each other’s work and have dynamic programs/events this semester.

Questions to Consider
- How often does your committee meet and how far in advance do you contact folks to let them know of the meetings?
- Do you have good turn out for meetings and is workload diffused through committees or are chairs/co-chairs doing the majority of the work?
- Are there events you would like to plan but don’t know how to get them started?

V. Membership Brainstorm 6:40-7 pm
We discussed at the last meeting some initial ideas for a massive membership drive. Karly Wallace is interested in helping out Candice in taking co-lead on a membership drive. Please come prepared with 2 ideas for getting folks more involved with GSS and/or reaching out to departments that do not have representation.
