   A. President’s Report – stef shuster

   Things seem a little quiet around here! If you are not involved with a committee, please check our website and select a committee to work with: http://gss.grad.uiowa.edu/committees. If you have not heard from a committee chair regarding meetings, events, information please don’t hesitate to contact them directly! I want to give a little shout out to our GPAC members who met on Saturday October 16th to review the Supplemental 1 funding requests for graduate, professional, and undergraduate student organizations. Thanks for your hard work! Also, Dean Gardinier and Anne-Marie Ericson have been quite busy lately hosting workshops and seminars for graduate students through a series called “The Network.” We try to send timely announcements about these professionalization workshops through our Listserv and post them on our Event Calendar (http://gss.grad.uiowa.edu/event). These are great opportunities to learn about various aspects of professionalization (dissertation writing, writing grant proposals, etc). Please look for these announcements and consider attending one or two of these workshops a semester! And, pass them along to the graduate students in your department who may also benefit from this series. If you have any questions, please contact anne-marie-ericson@uiowa.edu

   B. Vice President’s Report – James Skretta

   Good evening Senators,

   Committee work is moving along nicely. If you are yet to get involved with a committee, please remember that it is your responsibility as a senator to be involved with at least one committee. Additionally, alternate senators can be, and are also encouraged, to serve on committees and assume leadership roles. If you would like more direction as to which committee to join, feel free to send President shuster or myself an e-mail (james-skretta@uiowa.edu).

   I also want to remind the Senate about OrgSync. There has been a lull since the original invites were sent in September, but please check the site frequently for communication updates!

   Lastly, I want to thank the new Senators who stayed at the end of the October meeting for the brief orientation session. If you are a new senator and have any questions regarding GSS we encourage you to approach any of the Senate members, as well as the Executive Council, with any questions.

   Best wishes and stay warm as the weather becomes cool!

F. Graduate Council Report – Kristi DiClemente, Kristina Rogers, Oksana Zagorodna, stef shuster*

The Graduate Council has discussed, in the last few meetings, a few items of interest to graduate students. By now, I am sure you have heard that the National Research Council has completed its study and released information about departments around the country. More information can be found on the Graduate College website at http://www.grad.uiowa.edu/nrc-assessment. Due to the new requirements that all theses and dissertations be deposited as ETDs, the Graduate College has hired two part-time individuals to help with the formatting process. They will be available in Rm. 6 Gilmore Hall on Tuesdays, Wednesday and Thursday, initially on a drop-in basis, but on an appointment-basis as it gets closer to deposit deadlines. For those of you who advise undergraduate students or are planning on taking them again (for fellowship purposes or changing universities for your PhD), be aware that ETS is rolling out a new test format for the GRE that is different from previous years. These changes will show up on tests in August 2011. Please check the ETS website for additional information about these changes: http://www.ets.org/gre/

Please visit this website for more information: http://sgatui.uiowa.edu/funding.html. The $500 scholarship will be awarded to twelve students who demonstrate the most financial need. The Office of Student Financial Aid will determine the award recipients.

I. Dean’s Graduate Student Advisory Council Chair Report – Nirmalla Barros

We will be meeting with the College of Arts and Sciences Dean, Linda Maxson, on Thursday, Nov. 18 12:1:00. Some initial discussions of pertinent meeting topics include increasing tutoring services for undergraduates in writing. Grad students have observed how students are ill-prepared to write papers. These centers can enhance retention rates and also finance graduate students.

J. Webmaster Report – Maneesh Kumar

I met with last year’s webmaster, Tim, this week. I learned the ropes of the website so can now full assume the role of webmaster.

Also, just a general reminder to Committee chairs and co-chairs to make sure your committee page on the site is up to date with your members as well as what the committee is doing. Let me know if you need help doing this. There was a question at one of the new leadership meetings on how to add graduate students that might be on your committee but are not senators, I now know how to do this and can help if the need arises.

VII. Committee Representative Reports

A. Academic Mentoring Committee – Tracy Morgan, Meryl Irwin*

The committee has also been working on updating the online application for matching mentees and mentors campus-wide. We hope to have this program up and running for next semester! We are also in the initial stages of assessing the need for smaller, mentoring projects on a department-by-department basis, beginning with home departments of committee members. If you are a committee member and HAVE NOT yet investigated this in your home department, please email the chair.

Thanks to all who joined our committee! If interested in joining please email the chair for more info (theresa-morgan@uiowa.edu).

B. Computer Resources Committee – Brian Borchers

Nothing to report at this time.

C. Education Outreach Committee – Ulrike Carlson, Donna Lancianese

At our last meeting we presented the prototype for our brochure, complete with logo. We will take photos of graduate students after the next GSS meeting to incorporate them into our brochure and our website. We have one upcoming lecture event: “Regulations, Policies and Best Practices for Human Subjects Research - What Students REALLY NEED TO KNOW About the Regulatory Requirements and UI Policies for Conducting Human Subjects Research” will take place on Tuesday, November 2nd from 3:00 to 4:30 in Room E146, Adler Journalism Building. Please let your constituent know about this opportunity to find out more about IRB requirements - especially if you are in the Humanities or Social Sciences. Students in these subjects often are not aware that there research might require IRB approval.
If you are interested in participating in our Outreach Program with local high schools, please contact Ulrike (ulrike-carlson@uiowa.edu).

D. International Student Committee – Joseph Steinitz, Chris Harris, Nikhil Sikka

The International Student Committee is transitioning to new leadership, and that changeover continues. ISC members met October 28:

- Discussed transition strategies and plans for the academic year.
- New co-chairs Sikka and Harris met with Si-Chi Chin to discuss management of Lekker Lekker! At this point she has agreed to further maintain the site even after leaving.
- A meeting with director of OISS will be set up to introduce the new co-chairs.
- A survey to determine the needs of International graduate students will be set-up in the near future.
- International student fee: a technicality issue in the way the fee appears on the summer U-Bill when a student is receiving a full scholarship (all fees included). The issue will be examined.

E. Jakobsen Conference Committee – Kyle Moody; Lynettia Felling; Lauren Rosales

The Jakobsen Graduate Conference Committee is working hard to make the Conference on March 25 and 26, 2011 the best yet. We still need division heads for the Mathematical, Physical Sciences, and Engineering Sciences divisions of the conference. Anybody wanting to know more about the conference can feel free to e-mail any one of us, or meet with us after tonight's meeting (kyle-moody@uiowa.edu, lauren-rosales@uiowa.edu, lynettia-felling@uiowa.edu). Also, those of you who have expressed interest in working with the conference will be contacted this week regarding a meeting to discuss ways that you can help. We'd like to set up a meeting before Thanksgiving to go over responsibilities of division heads and planned updates.

F. Jakobsen Conference Review Committee – Kristina Rogers

Nothing to report at this time.

G. Service Committee – Kimberly Hoppe, Katie Benson

We need more volunteers for the Hope Lodge Gala “Dancing for the Stars” on November 6th from 5:30PM-9PM. Please contact Jen Lee if you are available (jennifer-e-lee@uiowa.edu). Penny Wars will start today! Please put the labels on a container and display it in your department. The money raised will be collected at the next GSS meeting on December 7th. All donations will go to the Iowa City Crisis Center. The annual Wiffleball Tournament will likely be on Saturday April 2.

H. Social Committee – Mike Palermo

Lots of events coming up to close out the semester. This friday (November 5) we will be going to Quinton’s at 7 for another dinner. November 10 we will be doing another happy hour at Graze also starting at 7. There are specials on wednesdays so don’t be afraid to be social! After that we will have our Annual Semi-formal Fall Ball December 4 at 126. Heavy appetizers will be provided. This is an opportunity to get a little fancy and meet some grad students outside your department. Look for a flier to come. Any questions or ideas as always email Michael-Palermo@uiowa.edu.

I. Travel Funds Committee – Kristi DiClemente, Alissa Hulstrand

The November 11 cycle of the GSS Travel Fund and the new GSS Supplementary Travel Award for Research is currently underway. Both applications can be found on the GSS website. Those in the TF committee please mark your calendars; our next Travel Funds scoring session is on Wednesday, November 24, 2010.
J. GPAC Representatives – Kelli Todd, Mike Palermo, Brian Borchers

GPAC met on October 10 to make funding decisions. The meeting went smoothly with good dynamics between participants. ECGPS needs to vote to approve the decision. There are two more finance cycles, and some requests for funding were delayed for a later cycle because their needs did not become salient until the later dates. The GSS GPAC representatives are considering proposing a few new requirements to the application process, so that it will be more clear which proposals serve graduate students, and to what degree. The biggest change is that there is no longer an appeals process following funding decisions. The decisions are considered final.

VIII. Elections/Nominations

o UI Center for Human Rights Executive Board, Graduate Student Representative

The UI Center for Human Rights has asked for a graduate student representative for their Executive Board. Affiliated with The University of Iowa's International Programs, the UICHR has as its mission the promotion and protection of human rights at home and abroad through distinguished multidisciplinary leadership in human rights research, education, and public service to The University of Iowa, its surrounding communities, the State of Iowa, and beyond. To this end, it attends to all categories of human rights, including "first generation" civil and political rights, but gives special attention to "second generation" economic, social, and cultural rights and "third generation" community or group rights.

The Executive Board advises and actively assists the UICHR in two critical ways: 1. With existing and contemplated programs of scholarly commentary, educational innovation, artistic advocacy and expression, and community outreach. 2. In the pursuit of public and private funding for the UICHR’s administration and programs.

IX. Announcements
