   A. President’s Report – stef shuster

   Hello! Just a reminder to maintain your committee work as the semester winds down and we have a little breathing room to re-organize and calibrate the important work that we are doing in GSS. If you have been a bit shy about joining a committee, now is an excellent time to email a chair/co-chair and ask how you can help! As a reminder, all Senators are expected to actively serve on one committee to maintain good standing in GSS. Please make a concerted effort to attend committee meetings when they are held and to volunteer your time. Our committees are only as strong as the time and energy we put into them. While the Co-Chairs are doing a fabulous job, they cannot do it all on their own. They need your help!

   In setting a new precedent, I think it is important for the President of GSS to organize one event per year. So, I am currently looking around for a collaborative project to work on in the Spring. If you have a cool project in mind that you don’t know how to get off the ground, contact me or James. We would love to help out with any committee or individual projects. Collaborations with other student orgs are also possible. Also, just a heads up that the DGSAC committee is still seeking input for their January meeting with Dean Maxson. Any concerns you may have relating to CLAS policies, curriculum, etc. can be raised on your behalf. For more information or to send along some agenda items for this meeting, please email Nirmalla Barros (nirmalla-barros@uiowa.edu). Finally, remember that the 13th Annual James F. Jakobsen Conference is about to bounce off the walls (or maybe just the computer screen). Save the date for March 26th and look for additional announcements regarding the on-line submission process for this excellent and invigorating graduate student conference!

   B. Vice President’s Report – James Skretta

Good evening Senators!

I hope that everyone enjoyed the Thanksgiving break and that you are pushing through the final days of the semester. It’s incredible just how fast each semester goes!

This past Wednesday, Donna Lancianese, Matine Spence and myself attended a Main Library Renovation focus group meeting, where we meet with those designing the master plan for the future of the library, which, most prominently, is to include a new commons area. A designer showed several potential layouts and floor plans that would utilize space in different manners. Our input was requested regarding study space, materials access and overall effectiveness of things within the library. As of yet, no final decisions have been made and student input is being taken with open ears. If you have any opinions you would like to share about the current state of the Main Library or would like to share what you hope to see in a renovated library and enhanced commons area, feel free to let stef, Donna, or myself know and we’ll be sure to pass the word!

Wishing you all a happy holiday season!

C. Treasurer's Report – Brian Borchers

In short, still not that much money has been used. The majority of the roughly $500 dispensed so far has been spent on social activities, committee meetings and supplies. Two big expenses coming up include the Fall Ball and our donation to the Art Museum. As always, feel free to contact me if you have questions.

D. Membership Officer’s Report – Ulrike Carlson

As the end of the semester approaches - for many of you it is your first semester in GSS - I would like, once again, to point out that GSS depends on you and your commitment to GSS. It is very important that you not only attend senate meetings, but also volunteer your time to serve on at least one committee! Serving on a committee can mean a great enrichment of your graduate life, as well as a great learning and service opportunity - but only if you are willing to commit! GSS cannot function if only a few students do all the work. I know that every single one of us is very busy (We are graduate students, after all!), but if we all take our commitment to our committee seriously, the will be less work for everyone. I therefore urge you to take your committee work seriously, to try to attend meetings and to find out what each and every one of you can do to make GSS the successful student organization it has been up to now! Thank you and Happy Holidays and a great New Year!

E. Parlimentarian’s Report – Perry Motsegood

F. Graduate Council Report – Kristi DiClemente, Kristina Rogers, Oksana Zagorodna, stef shuster*

The graduate council took a small break from meeting and came together on the 18th of November to discuss some important topics. Something to keep on the radar is a reconfiguring the process for dual Master's degrees. The paperwork and requirements for graduate students who want to have two degrees from the University of Iowa was discussed at this last meeting. Look for more updates in the upcoming months. We also discussed potential changes in the way that colleges deal with course withdrawal due to academic performance. It was suggested that all colleges across the board standardize the way they deal with these issues. Again, more information on this in later agenda notes.

G. Graduate Student Organizations – Meggie Aube

H. ECGPS Delegate Report – Senthilkumar Perumal Kuppusamy, stef shuster, Meggie Aube (alternate)

ECGPS had a lot going on since the last GSS meeting. While impossible to capture it here, if you didn’t attend the Etiquette Dinner, rumors are that you missed out on some fun! At the last executive meeting we approved the Supplemental 1 GPAC spending, Travel and Research Awards recommendations, and discussed ways in which ECGPS and other member governments could collaborate on future projects. Look for announcements soon on cross-campus ventures in sustainable environmental issues (via a conference) and the UI Museum of Art Graduate and Professional Student Reception.

I. Dean’s Graduate Student Advisory Council Chair Report – Nirmalla Barros

The Dean had a last minute conflict for our November meeting. We're hoping to re-schedule it for sometime in January or February. We'd still like to hear from you if you have any concerns for us to discuss at this meeting. Some previous agenda items from last year's Dean's meeting include the status of the budget, TA
line cuts, flood recovery status, and the time frame for expected changes from the Graduate and Professional Education Taskforce Report.

J.  Webmaster Report – Maneesh Kumar

Meeting with former Webmaster Tim Paschkewitz continues, and preparation for the Jacobsen Conference begins.

VI. Committee Representative Reports
A.  Academic Mentoring Committee – Tracy Morgan, Meryl Irwin*

The committee has been very busy this past month. Working with the Iowa Center for Research by Undergraduates (ICRU), we were able to provide 12 judges to the Fall Undergraduate Research Forum (FURF). We also worked with another on-campus group, the Research Ambassadors, to provide graduate students to present on scientific poster use and design. Finally, we completed one of our two online application forms for mentoring, and are on-time to have the program running starting in Spring 2011. Thanks to all the committee members who volunteered to help out with these activities!

Our committee is always happy to take new members. If you are interested in joining please email the chair (theresa-morgan@uiowa.edu).

The lecture takes place on Wednesday, December 1, 2010 at 3:30-5:00 pm in 106 GILH (Gilmore Hall). Our speakers are Kathleen Staley from Counseling Services, Nicole Studt from Family Services and Misty Brents from Student Health. Please remind your constituents of this upcoming event.

G.  Service Committee – Kimberly Hoppe, Katie Benson

We will be collecting the penny wars containers at this meeting. Please email Katie Benson or Kimberly Hoppe if you were not able to bring your containers today. We will be creating bowls at “Fired Up” for the Souper Bowl again this year in January and will keep you all updated with a date and time. Thanks!
H. Social Committee – Mike Palermo

Thanks for a great semester of events. January 11 the UI Museum of Art is throwing its annual Professional and Graduate Student Reception. The theme is “A Love Affair with Lil Picard and Andy Warhol.” Keep an eye out for more emails about the event and here’s a link for more information. uima.uiowa.edu/the-professional-graduate-student-reception/

I. Travel Funds Committee – Kristi DiClemente, Alissa Hulstrand

We had another successful round of Travel Fund Awards. Thanks to everyone who came out to score on the 17th, we greatly appreciate your time. This cycle we had over 50 eligible Travel Fund applications and we awarded exactly 50%. Our next Travel Funds deadline will be in February. This cycle was also the inaugural round of the GSS Supplementary Travel Award for Research. We received around 20 eligible applications of which we awarded over 50%. The next Supplementary Travel Award deadline will be in April. We had quite a few no-shows to the last meeting; both Alissa and I would appreciate our committee members letting us know if they are unable to make a meeting. Thanks.
